PROXY VOTING

Who is soliciting my proxy?

The enclosed Form of Proxy is being solicited by the management of the Corporation in connection with the annual meeting of shareholders to be held on December 15, 2016 and at every adjournment thereof, and the associated costs will be borne by the Corporation. The solicitation of proxies will be made by mail and by posting the Meeting Materials on the Corporation’s website at www.masongraphite.com and on our profile at www.sedar.com. The solicitation of proxies may also be by telephone or other personal contact by directors of the Corporation, such directors receiving no compensation therefore. In addition, the Corporation shall, upon request, reimburse brokerage firms and other custodians for their reasonable expenses in forwarding proxies and related material to beneficial owners of shares of the Corporation.

The board of directors of the Corporation (the “Board”) has set the record date for the Meeting at November 8, 2016 (the “Record Date”).

How do I vote?

If you are a registered shareholder, you may vote in person at the Meeting or you may sign the enclosed Form of Proxy appointing the named persons or some other person you choose, **who need not to be a shareholder**, to represent you as proxyholder and vote your shares at the Meeting. If your shares are held in the name of an intermediary, please see the box on page 4 for voting instructions.

What if I plan to attend the Meeting and vote in person?

If you are a registered shareholder and plan to attend the Meeting on December 15, 2016 and you wish to vote your shares in person at the Meeting, do not complete or return the Form of Proxy. Your vote will be taken and counted at the Meeting. Please register with the transfer agent, TSX Trust, upon arrival at the Meeting. If your shares are held in the name of an intermediary, please see the box on page 4 for voting instructions.

What am I voting on?

Shareholders will be asked to vote on the following matters:

1. the election of directors of the Corporation for the ensuing year;
2. the appointment of auditors of the Corporation and the authorization for the directors to set their remuneration; and
3. any such other business as may properly be brought before the Meeting or at any adjournment thereof.

What if I sign the Form of Proxy enclosed with this Circular?

Signing the enclosed Form of Proxy gives authority to the officers and/or directors of the Corporation whose names are indicated on the Form of proxy, or to another person you have appointed, to vote your shares at the Meeting.

Can I appoint someone other than these directors to vote my shares?

Yes. Write the name of this person, who need not to be a shareholder, in the blank space provided in the Form of Proxy. It is important to ensure that any other person you appoint is attending the Meeting and is aware that he or she has been appointed to vote your shares. Proxyholders should, upon arrival at the Meeting, present themselves to a representative of TSX Trust.

What do I do with my completed Form of Proxy?

Return it to the Corporation's transfer agent, TSX Trust, by mail at 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1, or faxed at 1-416-595-9593, or scanned and emailed to TMXEInvestorServices@tmx.com, no later than 11:00 a.m. (Montreal Time) on December 13, 2016. This will ensure that your vote is recorded.

Where can I access the Financial Materials of the Corporation?

Shareholders have the ability to access electronic versions of the Financial Materials on the Corporation's website at www.masongraphite.com or on the Corporation's profile at www.sedar.com. Shareholders may also request a paper copy of the Financial Materials by calling TSX Trust at 1-866-600-5869 or the Corporation at 1-514-289-3580, or send an email to lveilleux@masongraphite.com, and we will send them by postal delivery at no cost within three business days of your request.

This is in line with the Corporation's commitment to environmental stewardship as it will reduce the cost and environmental impact of producing and distributing paper copies of documents in very large quantities. It also provides Shareholders with faster access to information about the Corporation.

If I change my mind, can I take back my proxy once I have given it?

Yes. If you change your mind and wish to revoke your proxy, prepare a written statement to this effect. The statement must be signed by you or your attorney as authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney of the corporation duly authorized. This statement must be delivered at the above-mentioned registered office of TSX Trust, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, and upon either of such deposits the proxy is revoked.

How will my shares be voted if I give my proxy?

The persons named on the Form of Proxy must vote for or withhold from voting your shares in accordance with your directions, or you can let your proxyholder decide for you. **In the absence of such directions, proxies received by management will be voted in favour of the candidates nominated for election as directors of the Board, the appointment of the auditors and for the adoption of the other items on the agenda, as the case may be, as detailed below under the heading “Business of the Meeting”.**

What if amendments are made to these matters or if other matters are brought before the Meeting?

The persons named in the Form of Proxy will have discretionary authority with respect to amendments or variations to matters identified in the enclosed Form of Proxy and with respect to other matters which may properly come before the Meeting. As of the time of printing of this Circular, management of the Corporation knows of no such amendment, variation or other matter expected to come before the Meeting. If any other matters properly come before the Meeting, the persons named in the Form of Proxy will vote on them in accordance with their best judgment.

How many shares are entitled to vote?

As of the Record Date, there are 113,682,327 common shares of the Corporation (the “**Common Shares**”) issued and outstanding, each of which is entitled to one vote at the Meeting. Only shareholders registered at the close of business on the Record Date are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he owns the shares, requests no later than 10 days before the Meeting that the transferee’s name be included on the list of shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting.

Who counts the votes?

The Corporation’s transfer agent, TSX Trust, counts and tabulates the proxies. This is done independently of the Corporation to preserve the confidentiality of individual shareholder votes. Proxies are referred to the Corporation only in cases where a shareholder clearly intends to communicate with management or when it is necessary to do so to meet the requirements of applicable law.

For general shareholder enquiries, you can contact the transfer agent:

If my shares are not registered in my name but are held in the name of an intermediary (a bank, trust corporation, securities broker, trustee or other), how do I vote my shares?

In accordance with the requirements of *Regulation 54-101 respecting Communication with Beneficial Owners of Securities of a Reporting Issuer* (“54-101”), the Corporation has elected to send the notice of Meeting, this Circular and the Form of Proxy directly to those “non-registered” shareholders who do not object to their name being made known to the issuers of the securities which they own (“NOBOs”). The intermediaries are responsible for forwarding these documents to each non-registered shareholder who has objected to his intermediary disclosing ownership information about himself (“OBO”), unless that OBO has waived the right to receive them.

There are two ways you can vote your shares held by your intermediary. As required by Canadian securities legislation, you will have received from your intermediary either a request for voting instructions or a form of proxy for the number of shares you hold. For your shares to be voted for you, please follow the voting instructions provided by your intermediary. Since the Corporation has limited access to the names of its non-registered shareholders, if you attend the Meeting, the Corporation may have no record of your shareholdings or your entitlement to vote unless your intermediary has appointed you as proxyholder. Therefore, if you wish to vote in person at the Meeting, insert your own name in the space provided on the request for voting instructions or form of proxy and return same by following the instructions provided. Do not otherwise complete the form as your vote will be taken at the Meeting. Please register with the transfer agent, TSX Trust, upon arrival at the Meeting.

BUSINESS OF THE MEETING

1. Financial Statements

The audited financial statements of the Corporation for the fiscal year ended June 30, 2016 and the report of the auditors of the Corporation thereon (the “**Financial Statements**”) will be placed before the Meeting. Receipt at the Meeting of the Financials Statements will not constitute approval or disapproval of any matters referred to therein.

The Financials Statements and the management’s discussion and analysis of the Corporation for the year ended June 30, 2016 are available upon request to the Corporation or on the Corporation’s website at www.masongraphite.com or under the Corporation’s profile at www.sedar.com.

2. Election of Directors

The articles of the Corporation provide that the Board shall consist of a minimum of three and a maximum of ten directors. The Board currently consists of six directors who are elected annually. Each director is appointed to hold such office until the next annual meeting of Shareholders or until his or her successor is duly elected unless his or her office is earlier vacated in accordance with the by-laws of the Corporation.

The six persons (each a “**Nominee**”) listed on the following pages are nominated for election as directors of the Corporation. All such Nominees are currently directors of the Corporation and have been since the dates indicated in the table below.

Unless authority to do so is withheld, proxies given pursuant to this solicitation by the management of the Corporation will be voted FOR the election of the Nominees listed below. If any of the Nominees should for any reason be unable to serve as a director of the Corporation, the persons named in the enclosed Form of Proxy reserve the right to nominate and vote for another nominee in their discretion.

As the Corporation has adopted a Majority Voting Policy (the “**Majority Voting Policy**”), the process for voting for election of each director will be by individual voting and not by slate. The Shareholders can vote for or withhold from voting on the election of each director on an individual basis. See “About the Board” for more information on the Corporation’s Majority Voting Policy.

Other than as set out below, there are no contracts, arrangements or understandings between any director, any executive officer or any other person pursuant to which any of the Nominees has been nominated.

However, if any other matters which are not known to the management should properly come before the Meeting, the accompanying Form of Proxy confers discretionary authority upon the persons named therein to vote on such matters in accordance with their best judgment.

CORPORATE GOVERNANCE

The Corporation and the Board recognize the importance of corporate governance in effectively managing the Corporation, protecting employees and shareholders, and enhancing shareholder value. The Corporation believes that its corporate governance practices are in compliance with applicable Canadian requirements for TSX Venture Exchange listed issuers. The Corporation is committed to monitoring governance developments to ensure its practices remain current and appropriate.

The Corporation's disclosure of corporate governance practices pursuant to Regulation 58-101 *respecting Disclosure of Corporate Governance Practices* is set out in Schedule "A" to this Circular in the form required by Form 58-101F2.

ABOUT THE BOARD

The Board fulfills its mandate directly at regularly scheduled meetings or as required. The directors are kept informed regarding the Corporation's operations at regular meetings and through reports and discussions with management on matters within their particular areas of expertise. Frequency of meetings may be increased and the nature of the agenda items may vary depending upon the state of the Corporation's affairs and in light of opportunities or risks that the Corporation faces.

Majority Voting Policy

The Corporation has adopted a Majority Voting Policy to provide a meaningful way for the Shareholders to hold individual directors accountable and to require the Corporation to closely examine directors that do not have the support of a majority of Shareholders. The policy provides that forms of proxy for the election of directors will permit a Shareholder to vote in favour of, or to withhold from voting, separately for each director nominee and that where a director nominee has more votes withheld than are voted in his/her favour, the nominee will be considered not to have received the support of the Shareholders, even though duly elected as a matter of corporate law. Pursuant to the policy, such a nominee will forthwith submit his or her resignation to the Board, such resignation to be effective on acceptance by the Board. The Board will then establish an advisory committee to which it shall refer the resignation for consideration. In such circumstances, the advisory committee will make a recommendation to the Board as to the director's suitability to continue to serve as a director after reviewing, among other things, the results of the voting for the nominee and the Board will consider such recommendation. This policy does not apply where an election involves a proxy battle (i.e., where proxy material is circulated in support of one or more nominees who are not part of the director nominees supported by the Board).

AUDIT COMMITTEE

The purposes of the Audit Committee are to assist the Board's oversight of: the integrity of the Corporation's financial statements; the Corporation's compliance with legal and regulatory requirements; the qualifications and independence of the Corporation's independent auditors; and the performance of the independent auditors. Please see Schedule "B" hereto for the Audit Committee Charter.

The Corporation's Audit Committee is currently comprised of three directors: Francois Laurin (Chair), Alastair Neill and Guy Chamard. Each of the members of the Audit Committee is considered financially literate and independent. Please refer to the section titled "Business of the Meeting - Election of Directors - Director Profiles", for the relevant education and experience of each of the members of the Audit Committee.

Audit Committee Oversight

At no time since the commencement of the Corporation's most recently completed financial year has there been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on either (a) an exemption in section 2.4 (*De Minimis Non-Audit Services*) of Regulation 52-110 *respecting Audit Committees* ("**Regulation 52-110**"); or (b) an exemption from Regulation 52-110, in whole or in part, granted under Part 8 (*Exemptions*) of Regulation 52-110. As the Corporation is listed on the TSX Venture Exchange, it is relying on the exemptions provided in section 6.1 (*Venture Issuers*) of 52-110, from the requirements of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*).

External Auditors

The Audit Committee pre-approves all non-audit services to be provided to the Corporation or its subsidiary entities by the issuer's external auditors. Please see page 8 for the fees paid to external auditors in 2015 and 2016.

COMPENSATION COMMITTEE

The Corporation's Compensation Committee is comprised of three directors: Tyrone Docherty (Chair), Francois Laurin and Geoffrey Scott Moore. Each member of the Compensation Committee is independent. The Compensation Committee is established by the Board to assist the Board in fulfilling its responsibilities relating to human resources and compensation matters.

EXECUTIVE COMPENSATION

Oversight and Description of Director and Named Executive Officer Compensation

Named Executive Officers

For the financial year ended June 30, 2016, the objectives of the Corporation's compensation strategy was to ensure that compensation for its Named Executive Officers, (as defined below) is sufficiently attractive to recruit, retain and motivate high performing individuals to assist Mason Graphite in achieving its goals.

The process for determining executive compensation is relatively informal, in view of the size and stage of the Corporation and its operations. Executive officers are involved in the process and make recommendations to the Compensation Committee, which considers and recommends to the Board for approval the discretionary components (e.g. cash bonuses) of the annual compensation of senior management. Except as otherwise described below, the Corporation does not maintain specific performance goals or use benchmarks in determining the compensation of executive officers. Upon the recommendation of the Compensation Committee, the Board may at its discretion award either a cash bonus or stock options for high achievement or for accomplishments that the Board deem as worthy of recognition.

Compensation for the Named Executive Officers is composed primarily of three components: base fees, performance bonuses and stock based compensation. In establishing the levels of base fees, performance bonuses and the award of stock options, the Compensation Committee takes into consideration a variety of factors, including the financial and operating performance of the Corporation, and each Named Executive Officer's individual performance and contribution towards meeting corporate objectives, responsibilities and length of service.

Salary

Amounts paid to Named Executive Officers as base salary, including merit salary increases, are determined in accordance with an individual's performance and salaries in the marketplace for comparable positions. There is no mandatory framework that determines which of these factors may be more or less important and the emphasis placed on any of these factors may vary among the executive officers. The determination of base salaries relies principally on negotiations between the respective Named Executive Officer and the Corporation and is therefore heavily discretionary.

Bonus

Mason Graphite's cash bonus awards are designed to reward an executive for the direct contribution which he or she can make to the Corporation. Named Executive Officers are entitled to receive discretionary bonuses from time to time as determined or approved by the Board, upon the recommendation of the Compensation Committee, or the Chief Executive Officer, as applicable. The Corporation does not currently prescribe a set of formal objective measures to determine discretionary bonus entitlements. Rather the Corporation uses informal goals which may include an assessment of an individual's current and expected future performance, level of responsibilities and the importance of his/her position and contribution to the Corporation. Precise goals or milestones are not pre-set by the Board.

Stock Option Plan

On October 26, 2016, the Board adopted a new stock option plan to replace its rolling stock option plan by a fixed number stock option plan (the "**Stock Option Plan**"). The TSX Venture Exchange has conditionally approved the Stock Option Plan on November 3, 2016. The Corporation's previous stock option plan was adopted on September 11, 2012 and was last approved by the shareholders of the Corporation at its annual meeting on December 15, 2015.

The Stock Option Plan is designed to advance the interests of the Corporation by encouraging employees, officers and consultants to have equity participation in the Corporation through the acquisition of Common Shares. The following is a summary of the terms of the Stock Option Plan, which is qualified in its entirety by the provisions of the Stock Option Plan.

Options are granted pursuant to the Corporation's Stock Option Plan and in accordance with the rules of the TSX Venture Exchange. The Stock Option Plan is administered by the Board, upon the recommendations of the Compensation Committee.

The Stock Option Plan is a fixed number stock option plan under the policies of the TSX Venture Exchange as under the Stock Option Plan the Corporation is authorized to grant stock options for a maximum of 11,000,000 common shares, which is less than 10% of its issued and outstanding Common Shares, with or without vesting provisions. As of the date hereof, there is an aggregate of 7,413,333 options outstanding under the Stock Option Plan, which represents approximately 6.5% of the total issued and outstanding Common Shares.

Directors, officers, employees and certain consultants are eligible to receive stock options under the Stock Option Plan. Upon the termination of an optionholder's engagement with the Corporation, the stock options held by such optionholder will be cancelled 90 days following such optionholder's termination from the Corporation. Stock options granted under the Stock Option Plan are not assignable.

The terms and conditions of each option granted under the Stock Option Plan will be determined by the Board upon the recommendation of the Compensation Committee. Options will be priced in the context of the market and in compliance with applicable securities laws and TSX Venture Exchange guidelines. Vesting terms will be determined at the discretion of the Board on the recommendation of the Compensation Committee. The Board shall also determine the term of stock options granted under the Stock Option Plan, provided that no stock option shall be outstanding for a period greater than ten years.

The Board believes that, except for material changes, it is important for the Board to have the flexibility to make changes to the Stock Option Plan without requiring the shareholders' approval. Such changes include making appropriate adjustments to outstanding options in the event of certain corporate transactions, adding provisions which require the forfeiture of options in certain circumstances, specifying practices with respect to applicable tax withholdings and making other changes to enhance clarity or correct ambiguous provisions.

The Stock Option Plan does not provide for the transformation of stock options granted under the Stock Option Plan into stock appreciation rights involving the issuance of securities from the treasury of the Corporation.

The Corporation will not provide financial assistance to any optionholder to facilitate the exercise of options under the Stock Option Plan.

The table below sets out the outstanding options under the Stock Option Plan, being the Corporation's only compensation plan under which Common Shares are authorized for issuance, as of June 30, 2016.

	Number of securities to be issued upon exercise of outstanding options	Weighted-average exercise price of outstanding options	Number of securities remaining available under equity compensation plans (excluding securities reflected in column (a)) as of June 30, 2016

Compensation of directors for the financial year ended June 30, 2016 was determined on a case-by-case basis with reference to the role that each director provided to the Corporation. The following information details compensation paid in the recently completed financial year.

In addition, directors are entitled to participate in the Corporation's Stock Option Plan, which is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term. Individual grants are determined by an assessment of an individual's current and expected future performance, level of responsibilities and the importance of his/her position and contribution to the Corporation.

Presently the Chairman of the Board is paid \$25,000 per annum and each director other than the Chairman is paid director fees of \$10,000 per annum. SCHEDULE "A"

STATEMENT OF CORPORATE GOVERNANCE PRACTICES MASON GRAPHITE INC.

The board of directors of the Corporation (the "Board"), after reviewing the policies, rules and guidelines concerning disclosure, by listed Corporations, of their corporate governance practices, adopted by certain Canadian stock exchanges as well as by the Canadian Securities Administrators, has undertaken the implementation of guidelines which in the Board's opinion, are appropriate given the size of the Corporation and its current stage of development.

BOARD OF DIRECTORS

The Board is currently comprised of six members, of which only Benoit Gascon, President and Chief Executive Officer of the Corporation, is not an "independent" member pursuant to Regulation 58-101 (within the meaning of paragraph 1.4 of Regulation 52-110). Conversely, Messrs. Tyrone Docherty, Geoffrey Scott Moore, François Laurin, Alastair Neill and Guy Chamard are independent directors.

To facilitate the functioning of the Board independently of management, the following structures and processes are in place:

- a majority of the directors are not management of the Corporation and are considered independent of the Corporation;
- under the by-laws of the Corporation, any two directors may call a meeting of the Board; and
- the Board practice is to hold in-camera meetings with the independent directors at the end of each Board or committee of the Board meeting to the extent required.

The Corporation is of the opinion that each of its directors is a person whose knowledge and experience are relevant to the business of the Corporation and makes a disinterested, high quality contribution. For all these reasons, the Corporation believes that all its directors are concerned with performing their duties and assuming their responsibilities in the best interests of the Corporation and all the shareholders rather than in their own interest or that of a particular group of shareholders.

DIRECTORSHIPS

The boards of directors to which each of the Corporation's Directors is a party to are indicated under the section of the circular titled "Business of the Meeting - Election of Directors".

ORIENTATION AND CONTINUING EDUCATION

The Board is responsible for ensuring that new directors are provided with an orientation and education program, which includes written information about the duties and obligations of directors, the business and operations of the Corporation, documents from recent Board meetings, and opportunities for meetings and discussion with senior management and other directors. Directors are expected to attend all meetings of the Board and are also expected to prepare thoroughly in advance of each meeting in order to actively participate in the deliberations and decisions.

The Board recognizes the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Board notes that it has benefited from the experience and knowledge of individual members of the Board in respect of the evolving governance regime and principles. The Board ensures that all directors are apprised of changes in the Corporation's operations and business.

ETHICAL BUSINESS CONDUCT

The Board is apprised of the activities of the Corporation and ensures that it conducts such activities in an ethical manner. The Board has not adopted a written code of business conduct and ethics, however, the Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to consultants, officers and directors to help them recognize and deal with ethical issues; promoting a culture of open communication, honesty and accountability; and ensuring awareness of disciplinary actions for violations of ethical business conduct. In particular, the Board ensure that directors exercise independent judgement in considering transactions and certain activities of the Corporation by holding in camera sessions of independent directors, when applicable, and by having each director declare his or her interest in a particular transaction and abstaining from voting on such matters, where applicable.

NOMINATION OF DIRECTORS

The Board is solely responsible for identifying new candidates for nomination to the Board. The process by which candidates are identified is through recommendations presented to the Board, which establishes and discusses qualifications based on corporate law and regulatory requirements as well as education and experience related to the business of the Corporation.

COMPENSATION

The Compensation Committee is responsible for recommending to the Board the compensation of the directors and senior officers of the Corporation. The process for determining executive compensation is relatively informal, in view of the size and stage of the Corporation and its operations. The Corporation does not maintain specific performance goals or use benchmarks in determining the compensation of executive officers. Upon the recommendation of the Compensation Committee, the Board of Directors may at its discretion award either a cash bonus or stock options for high achievement or for accomplishments that the Board of Directors deem as worthy of recognition. Please refer to the section titled “Executive Compensation” of the Circular for more information.

The Compensation Committee considers and discusses proposals received from its members and the Chief Executive Officer of the Corporation regarding the compensation of management and the directors. Please refer to the section titled “Compensation Committee” of the Circular.

OTHER BOARD COMMITTEES

The Board has no other committee than the Audit Committee and the Compensation Committee.

ASSESSMENT OF THE BOARD

The Board and its individual directors are assessed on an informal basis continually as to their effectiveness and contribution. The Chairman of the Board encourages discussion amongst the Board as to evaluation of the effectiveness of the Board as a whole and of each individual director. All directors are free to make suggestions for improvement of the practice of the Board at any time and are encouraged to do so.
